## STAR LINGS PLANETARIUM VISIT

Starlings visited the school on Monday to give two different presentations about the solar system to Year 1 and Year 5. Year 1 had a fantastic time in the planetarium on Monday. The children answered lots of questions about the planets and enjoyed sitting in the dark stargazing.

## KIDS CLUB - MORNING TIME CHANGES

Due to recent demand we have taken the decision to offer kids club from 7.45am every morning. Hopefully this will alleviate some of the pressure for those parents who need to be at work early. Please can you make sure your child has had breakfast before arriving at kids club. Thank you.

## YEAR 3 OUTING TO PETERBOROUGH MUSEUM

Year 3 pupils had a great time at the Peterborough Museum on Wednesday. The children learned about the Roman invasion of Britannia and also learned about the life of a soldier in the army, the equipment they had to carry on the march and practised a tortoise formation so often used by the Roman army. The staff at the museum were very complimentary on the children's enthusiasm and behaviour.

## SPORTING NEWS

### AGILITAS HOCKEY TOURNAMENT RESULTS

Our children started by taking coached sessions organised by the Year 10 and 11 Sports Leaders from the Grammar School. Our two teams played three games each in the morning. The A team won their matches comfortably topping its table. The B team was up against stiff competition from the start, though kept battling in all of their games. In the afternoon the A team won their semi-final and then very narrowly lost the final by 1 goal. The B team had a close friendly against Monkshouse B. Thanks go to the parents that supported the fixture and to Miss Amos and Mrs Gleave for their coaching assistance.
