A MESSAGE FROM THE HEAD

Thank you so much for all your wonderful comments regarding the new Infant Block. Staff have all worked extremely hard to make this happen. I would like to wish you all a wonderful and relaxing Easter break. We look forward to the start of the Summer term on Tuesday 23rd April.

GYM COMPETITION RESULTS

Last Sunday some children from the school gym club competed in a local competition against other schools. All children completed a floor routine and a bench or vault. They all did amazingly well and we are extremely proud of all of their achievements. Congratulations to Katie Preston and James Deegan who both were awarded a gold medal in the Year 1 competition and to Jenna Jeffries for her bronze in the Year 3 round. Thank you to the parents for their support and spending their Sunday at the gym club!

SUMMER UNIFORM

From Tuesday 23rd April with better weather permitting and unless we inform you via the website, children should be in summer uniform. All girls need to be in summer dresses.

YEAR 6 OUTING TO EASTER CRACKED

Today we went to Easter Cracked at Spalding Baptist Church. The children took part in a range of activities linked to the Easter story including: drama, craft, quizzes and an egg hunt. They learned a lot about the way in which Christians celebrate Easter as well as having lots of fun. As a further treat they were all given a Cadbury's cream egg to bring back to school.

AFTER SCHOOL CLUBS

Just a reminder that all after school clubs will start week commencing 29th April.

SPORTS NEWS

AGILITAS U9 FOOTBALL FESTIVAL

Our children were all keen to improve their skills and level of play at this fun festival of football. The children were given numbers allotting them to their mixed teams which they then went into. They started with warm ups and drills led by the year 9 Peele students. This was followed by some practise games. All of the teams then played each other before lunch. After the break the teams were seeded and went into a knockout format of games. All of our children gave their full effort and played well with their teammates from the other schools. Hayden and his team won the festival; Freddie N's team came second and also gained second in determination. Freddie P. and his team were awarded 1st for determination. Darcey G. was commended by four different teachers and the organisers for her level of play. Over all our children gained in confidence, enjoyed the festival and improved their football skills. Thanks go to Mrs Dorsett for her support at the fixture and the parents that assisted with transport.

FABRIC RIBBON CONTRIBUTIONS NEEDED

A kind request to parents for any oddments of fabric ribbon (various widths and colours) and wool for our DT department. Any contributions can be brought into the school office, all will be very much appreciated.

ILLUMILAND

Year 2 were delighted to spend Wednesday afternoon with some High School A level art students working on a lantern making project. These will be used as part of the South Holland Illumiland project at Ayscoughfee Hall on Saturday 6th April. If you are free anytime between 3 p.m. and 8 p.m. do go along.

YEAR 6 RESTAURANT EVENING

The Year 6 Restaurant Evening was a great success. The children worked hard all day, chopping, peeling and cooking to prepare a delicious three course meal for their parents in the evening. After all this hard work they then proved to be fantastic waiters, serving parents their meals, clearing away and helping with the washing up. The children did a wonderful job and we were all very proud of them.
