### HARVEST FESTIVAL THANK YOU

Thank you so much to everyone for their kind donations and also for joining the children at our Harvest Festival. It was fantastic to see so many parents. The children enjoyed singing and reading and, as I am sure you will agree, they all did really well. Our Harvest collection was taken to AGAPE by our Year 6 children during the afternoon and will be distributed to those who need help in our local community. AGAPE were really grateful for all your wonderful contributions.

### SHOE BOX APPEAL-

#### OPERATION CHRISTMAS CHILD

This week in assembly we talked about 'Operation Christmas Child' shoe box scheme by Samaritan's Purse. The object is for our pupils to provide a Christmas present to children in many different areas of the world. Such are the conditions in these countries, be it war, poverty or natural disaster, many children have no toys or playthings and never receive a birthday or Christmas gift. This is our opportunity to change that situation by presenting our 'love in a box' - especially at this giving time of year. Information leaflets have been sent home with the children this week. You do not have to put in £5 if you want to just do a shoebox, but it does help with transporting the box across the world. The deadline for bringing in your completed shoebox is Friday 8<sup>th</sup> November.

### PINK DAY - FRIDAY 11<sup>TH</sup> OCTOBER

#### PINK DRESS UP

Next Friday 11<sup>th</sup> October, we will be having a Pink dress up day for £1 donation, children will also need a little pocket money for our cake stall at breaktime. This will go towards help and support for Breast Cancer Now.

#### CAKE STALL

Our Year 5 pupils would like to run a cake stall at break time. If any parents are able to donate cakes on the day they will be gratefully received. Money raised will be for our chosen charity, Breast Cancer Now. If we have any cakes left they will be on sale at the end of the day.

### FLAG FEN YEAR 3 TRIP

During our visit to Flag Fen, Year 3 discovered what life was like for British Celts 3,000 years ago. They became field archaeologists for a day and handled Roman and Celtic artefacts, created Celtic and Roman pottery and searched the roundhouse for clues about the life of Celts. They also got a chance to see an uncovered section of the ritual causeway running through the Flag Fen site and the Bronze Age log boats discovered at Must Farm.

## SPORTING NEWS

### U9/U10/U11 NETBALL AT THE PETERBOROUGH SCHOOL - WEDNESDAY 2<sup>ND</sup> OCTOBER

The girls had some closely fought games this week and were pushed hard by the strong Peterborough teams. Our U9 and U10 games were very close all the way through, Peterborough had a lot of strength in their U11 team this time but the girls remained in good spirit according to the Peterborough umpire and worked their socks off throughout, well done girls! The U10 team have been undefeated so far but were challenged on Wednesday and couldn't quite find their form from previous matches. However the game was tight with Peterborough leading 2-1 from the first quarter to the last quarter when we both popped a final goal in, a great effort though girls! The U9 team lead all the way playing some very positive netball, they defended well and kept Peterborough at bay leading 2-0 at half time. Peterborough began to improve but couldn't quite reach our standard with a win for the U9 girls, very well done all of you.
