YEAR 1 - PIRATE DAY OUTING

Year 1 had a fantastic pirate trip to Nene Park on Monday. We spent the day making junk models ships that all managed to float on the lake, building dens on the pirate island and completing a treasure hunt. The children all had a really great day and were brilliantly behaved.

REMINDER - REMEMBRANCE ASSEMBLY MONDAY 11TH NOVEMBER

You are very welcome to join us for our Remembrance assembly this Monday 11th November at 9am. Year 6 pupils have been selling poppies and other poppy items at the gate at the start and the end of school. Children will be allowed to wear poppy bracelets until the end of the week.

BECOMING RESILIENT

This week our focus will be on the letter 'E' for effort. There is a place for celebrating the 'best' and the 'winner' but it is equally as important to make sure we recognise the effort. This week all staff will be mindful of

Targeted praise

Effort based marking

Using peer feedback e.g. 'I like the way that you....'

CHILDREN IN NEED - FRIDAY 15TH NOVEMBER

We will be taking part in this year's Children in Need day next Friday wearing odd shoes and crazy socks and any Pudsey items to raise money for Pudsey and children who need help. Please bring in £1 to help with this wonderful cause. Thank you.

FARM TO FORK DAY

The children had a wonderful day learning about how their food gets from the farm to their fork. Kids Country Educational events came in to school and ran hands-on workshops covering everything from sausage making, to making pancakes, and from the 'metre square farm' to learning about what makes a healthy breakfast with supporters Co-op Food. The highlight of the day was to sit on a huge John Deere tractor as Jim Burgess from Park Farm Thorney, Peterborough, talked the children through how tractors and other machinery are used on the farm to grow all the crops for our cereals. It was great for the pupils to become better engaged with agricultural Lincolnshire and have a greater appreciation for healthy, locally produced food.

RECEPTION VISIT FROM MOLSOM OPTICIANS

On Wednesday Reception class were visited by Molsom Opticians. They learnt all about their eyes and how to look after them. They loved meeting Sydney Bear and enjoyed trying on different glasses. Lots of them are now very keen to visit the optician and have their eyes tested! Thank you to Bridget and Vicky for coming to visit them.

YEAR 6 VISIT TO THE COUNCIL OFFICES

We visited South Holland District Council as part of our work for UK Parliament week. Before the visit the children formed their own political parties, decided upon policies and drew up manifestos. They also elected a leader for each party. When we visited the Council Chambers each leader presented their manifesto; everyone, including the local councillors present, then voted for the party they thought should win. The children had a really fantastic experience of what it would be like to take part in an election - very topical at the moment too.

YEAR 5 VISIT TO BURGHLEY HOUSE

Year 5 visited Burghley House in Stamford on Thursday to experience a Tudor Day. Their exciting day began in the Great Hall. The children played traditional games and enjoyed dancing. They looked amazing in their costumes, especially in the setting of a real Tudor House. An enjoyable day which brought our history topic to life.

SHOEBOX - REMINDER

Thank you so much to those of you who have helped their child make up a shoebox for a child less fortunate than themselves. Please see the attached leaflet for details. The deadline for shoebox returns is next **Wednesday 13th November**.
