STAR LINC'S PLANETARIUM VISIT

On Monday children in Year 1 and Year 5 enjoyed a visit from the StarLincs Mobile Planetarium learning about the planets in our solar system and how we experience night and day. Mr Morton was impressed with the children's knowledge and the questions they asked. At the end of the talk the children enjoyed stargazing and spotting constellations in the night sky.

YEAR 3 OUTING TO PETERBOROUGH MUSEUM

Year 3 have had a great time at the Peterborough Museum. We learned about the Roman invasion of Britannia and the founding of the city of Durobrivae (Peterborough). We put on a marvellous feast for a Roman Legate, complete with a two course dinner that we had to source the ingredients for, dressed each other in togas and planned the entertainment for the evening. We created clay faces to decorate the jugs and handled real Roman artefacts! We have also learned about the life of a soldier in the army and the equipment they had to carry on the march.

Thank you to all the children and staff for getting involved and donating to the NSPCC numbers day and for the parents supporting this worthwhile cause. We hope the children enjoyed their activities throughout the day and will post a final total raised in next week's newsletter.

Recently we have noticed recently several children in school wearing Fitbits or expensive watches etc. and we would like to remind parents and children that any such items are worn in school entirely at their own risk. The school cannot accept any liability for loss of, or damage to personal items such as these. Thank you

SPORTING NEWS

AGILITAS QUICKSTICKS HOCKEY TOURNAMENT RESULTS

The festival started with a skills session and introduction to QuickSticks Hockey. Our A and B played in the same competitive league. This was a hard challenge for the B's though they were up to the challenge. They battled hard in all of their games managing to win one with a well-deserved 7 - 1 victory. The A team played with control, determination and skill winning all of their matches and the tournament. This puts our A team forward to the regional finals (date t.b.c.) Thanks go to Mrs Hurn for her coaching and to Mr Shersby for his support.
