

AYSCOUGHFEE HALL SCHOOL

NEWSLETTER: 06/01/23

Dear Parents,

A happy new year to you all. I hope that everyone had a lovely Christmas and a relaxing break.

The children have come back to school full of energy and keen to recommence their learning. There are lots of interesting new topics for the term ahead and the teachers have exciting activities and lessons planned. This week we have been focussing across the whole school on the subject of 'Kids Against Plastic'. Each class has been learning about the environmental impact of single use plastics and thinking about ways that we can reduce our use of it. Each year group has been completing written work and artwork related to the topic and we are looking forward to displaying this in school very soon.

Thank you to everyone who attended the carol concert at the end of last term; it was a wonderful occasion and we were so proud of the children and their performances in church. We raised the fantastic amount of £345.00 for the AGAPE foodbank, thank you all for your generosity.

SIBLING REGISTRATIONS

Our Kindergarten classes for the next 3 years are starting to fill up. If your child has any younger siblings that require registration, please contact the School Office for a registration form.
