NEWSLETTER No. 26 : 11/05/18

YEAR 1 OUTING TO AYSCOUGHFEE HALL

On Wednesday Year 1 walked to Ayscoughfee Hall to have a look at the Victorian kitchen. We were able to dress up and use the objects in the kitchen. As the sun was shining we made sure we had time for a well deserved ice cream!

YEAR 3 & YEAR 4 OUTING TO WW2 MUSEUM "WE WILL MEET AGAIN"

On Wednesday 9th May Year 3 and Year 4 had an amazing opportunity to visit the We'll Meet Again Museum in Freiston. They learned a lot about rationing and the life of the children during World War II. They experienced what it would be like to live through the Blitz and sat inside the cockpit of the Lancaster Bomber used in the upcoming film Lancaster Skies. The children and the staff dressed up as evacuees and people from the 1940's to make this experience even more realistic. We would like to thank Paul and Linda Britchford for making it such an emotional and highly educational visit!

SPORTS NEWS

SPALDING PRIMARY SCHOOLS HOCKEY FINALS

Our hockey teams competed in the finals last Friday at Surfleet Astro pitches. Our B team in the 4th Division had a steady start drawing 1-1 on their first game. In their second game they played lovely attacking hockey with a confident 8-1 win. The division final was a hard fought and closely competed game. Our team were narrowly defeated 4-2 so finished second in the division. Our A team in Division 1 had a strong start, playing solidly and confidently winning their first three matches. It was all down to the last game of the tournament. The teams were evenly matched and both had equal chances to win. The last few minutes decided the game and unfortunately against the flow of play the opposition scored. This made our A team runners up / 2nd place overall in the tournament. An excellent season with a suitably matched tournament finale. Well done to everybody involved with a big thank you for the parental support, the children and to Mr and Mrs Naylor for their continued coaching.

MORE SPORTING NEWS

Well done to all of our girls who played rounder's with The Grantham Preparatory School on Wednesday this week. The U9 team showed some excellent teamwork and communication within their play right from the start and remained tight in their fielding throughout. For some of the girls it was their first game, they all worked really hard applying their skills and produced some excellent play. We got off to a flying start in the first innings winning 5/1 and continued to lead in the second innings with a final score of 9½ to AHS and 4 to TGPS. The U11 girls won the toss and forced Grantham to bat first which gave us a target of 3 to beat in the first innings. The girls were very organised in their fielding and demonstrated good teamwork throughout, they batted well and produced 5 rounders in their first innings. Keeping the pressure on Grantham we had 1 rounder to achieve in our second innings to draw. Grantham produced some excellent fielding but it wasn't quite enough with the final score being AHS - 8 and TGPS 6. Well done to all the girls and thanks to the PTFA for refreshments and the parents for their support.
